Dear Trevor,

This is just a quick note to thank you very much for such an excellent evening last night, I had several comments afterwards from members saying how much they enjoyed your lecture. One full time magician remarked that the material and advice was clearly professional and to be highly valued.

All of the magic was practical and doable. I particularly enjoyed your presentations, minor narratives giving the magic importance and providing clear emotional hooks. I also appreciated the section where you stepped back and looked at wider motivation and self-management.

Wishing you the best of luck with the rest of your lecture tour.

Yours sincerely

Chris Payne,  
Hon. Treasurer
